Add/Edit Item Screen:

Hand-drawn UI mockup of an 'Add/Edit Item' screen on a smartphone. The screen displays a navigation bar at the top with a back arrow icon and a breadcrumb path: *> Home > Your Items > New Item*. A **Delete Item** button is located in the top right corner.

The main content area is titled **New Item** and includes a **Category** input field. Below this is a table with three columns: **Quantity**, **Expiration**, and **Location**. Under the table are two buttons: **Add New Entry** and **Delete Entry**.

The next section is titled **Usage History** and contains a table with three columns: **Quantity**, **Date**, and **Location**. Similar to the first section, it has **Add New Entry** and **Delete Entry** buttons below the table.

The final section is titled **Purchase History** and features a table with four columns: **Quantity**, **Date**, **Store**, and **Price**. It also includes **Add New Entry** and **Delete Entry** buttons.

The bottom navigation bar contains three icons with labels: **Home** (house icon), **Search** (magnifying glass icon), and **Your Items** (shopping cart icon).
